- Help your shoppers manage their Christmas spending. Give a small choice of stocking fillers or gift worthy treats with products like Selection Packs containing shoppers' favourite brands (segment +9.3% value growth<sup>1</sup>) with **Cadbury Medium Selection** and **Cadbury Selection Pack** leading the market

#### Great Display

- Christmas at front of mind: Products in store early puts Christmas in shoppers minds for the whole season
- See it, buy it: Make your fixture and counter look good, and make use of additional POS available so shoppers can see it

#### Availability is Key

- Early season: Ensure you have store space planned so that you can build displays in September. Focus on Advent, Self-Eat and Giving & Sharing

### Nestlé Confectionery

Welcome to the 2014 Nestlé Confectionery Christmas range. The

Christmas season represents one of the key trading periods of the year, with confectionery being one of the few categories that will actually drive more shoppers into store at this time of year. Representing over 12% of total annual confectionery sales, boxed chocolates and seasonal lines play a fundamental role to the category.

This brochure showcases Nestlé Confectionery's 2014 Christmas range that is focused on Gifting and Sharing and capitalises on our key brands and includes exciting new launches, as well as our traditional best-selling lines.

- Our fantastic range includes the No.1 Christmas confectionery brand, **Quality Street** and the No.1 **After Dinner Mint, After Eight** as well as remaining No.1 in the key **Giant Tubes** segment.

The 2014 Christmas range is founded on our strategy of delivering specialness and value to the confectionery category through:

- Optimum quality products that will delight shoppers and consumers
- Iconic, well-loved brands with a strong heritage
- Category enhancing new launches in line with consumer trends

To help retailers fully capitalise on the sales opportunity from the increased number of shoppers being driven into their stores we will also provide a comprehensive range of merchandising solutions designed to convert the maximum number of shopping trips into realised sales.

### Mars Chocolate

A Warm Welcome to Christmas 2014.

New for 2013 was the introduction of our **Merryteaser** to the market. We also introduced 'Galaxy Gift for You White' into our range, a Galaxy product that can only be purchased at Christmas and also the only White SKU in this category. We are really proud to announce that **Merryteaser** has won **Product of the Year** and this award will feature on the flow wrap, case, prefill and POS solutions.

In 2014 we will have a **New** advent calendar featuring our **Merryteaser** brand and to support further growth in 2014 we have reintroduced the hugely popular **Milky Way Magic Stars** tube. Our Selection Boxes have driven fantastic value sales growth in 2013 of +21.8%\*. New for 2014 is our **Maltesers** Giant Cracker.

No.1 **Boxed Brand**, No. 1 **CARTON** and No. 1 **TUB!!!** What a year for **Celebrations** 2013 was!\* **Celebrations** delivers everyone's favourite chocolates in one box, containing 4 of the top 10 UK Chocolate Brands. **Maltesers** boxed range continues to hit the right spot for shoppers over the Christmas period.
